Emergency Response Team - 24 Hour Response
Toll Free: 1.877.752.0001

We understand that accidents and incidents do not always occur during “business hours”, and that sometimes a client needs legal assistance on an emergency basis. Accordingly, Franklin & Prokopik has established a 24 Hour Emergency Response Team to respond to such situations. The operators who respond to the numbers have a listing of our attorneys, and their expertise, so that you can be immediately put in touch with an appropriate attorney to assist you. We have also created a wallet size card containing the Emergency Response number and general contact information. If you would like copies of the card, please let us know and we will be happy to forward them (you can also download the card from our website, www.fandpnet.com).
